Your petitioner, J. Timothy Keane, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 for U.S. Patent No. 6,342,624, and hereby agrees enforceable only for and during such period that the legal title to such patent shall be the same as the legal title to U.S. Patent No. 6,342,624, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors and assigns.

In making the above disclaimer petitioner does not disclaim any terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full or extended statutory term as defined in 35 U.S.C. 154 to 156 and 173 in the event that U.S. Patent No. 6,342,624 later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Further, the petitioner does not disclaim any right to extend the term of any patent issued for the above-identified application under 35 U.S.C. 156 from the date of expiration for such patent as is imposed by this terminal disclaimer.

The evidentiary documents accompanying or referred to in the Instant Terminal Disclaimer have been reviewed by the undersigned and it is certified that to the best of my knowledge and belief, title is in the assignee.
